The purpose of the Children's Yellow Pages is to provide the phone numbers of those agencies, organizations and individuals offering family and children's services in one easy-to-use list.

We would appreciate any suggestions you may have for additions to our Yellow Pages. If you know of any agency or organization that should be added, please contact our office at (517)437-3100.

OUR MISSION

The mission of CAPA is to eliminate child abuse and neglect through advocacy and education in Hillsdale County. CAPA works with local and state agencies to develop programs that address the specific needs of our community.

CAPA receives financial support from Children Trust Michigan (former Children's Trust Fund) and the generosity of Hillsdale County residents. The Board of Directors consists of community members, some of whom represent local agencies who work directly with children.
